## EDUCATION

- Brigham Young University (June 2015 – Current)
- Pima Community College (August 2012 – May 2015)

## EXPERIENCE

### **IT Engineer – Missionary Training Center** (May 2016 – Current)

- I currently work as tier two support to the IT Service Desk and International Missionary Training Centers. Along with tier two support I was able to streamline one of our reporting processes by writing a script in VBA for Excel. This script turned a two-hour process into a twenty-minute process.

### **Crossfit Trainer – Crossfit Rise Again** (June 2016 – Current)

- Led and coached classes of up to 15 athletes in weightlifting and gymnastics skills.

### **IT Service Desk Analyst - Missionary Training Center** (June 2015 – May 2016)

- At the Missionary Training Center, I worked with the technology department. I used problem solving skills as part of a team to service the computers and help customers with their computer issues.

### **Welder – STL MFG** (December 2014 – May 2015)

- As a welder, I learned to use many tools to work with metal, concrete, and wood. I installed and fabricated gates, fences, spiral stair cases, and other custom work.

### **Job Coach – Achieve Builds Confidence** (August 2012 – December 2012)

- As a job coach, I supported and encouraged positive work behaviors with people with developmental disabilities. I also assisted others in daily tasks such as brushing their teeth and going to the restroom, depending on their capabilities.
